## Dominion Design Services — Dump Trailer Rental & Junk Removal Guide

### Why Choose a Dump Trailer Over a Roll-Off Dumpster

**Maneuverability:** Fits driveways and tight spaces easily.

**No Property Damage:** Rubber tires protect asphalt and lawns.

**Flexible Placement:** Parked conveniently without blocking roads.

**Faster Service:** Hydraulic dumping for quicker turnaround.

**Professional Look:** Clean, well-maintained trailers — no rusted bins.

**Cost-Effective:** Better value than most roll-off dumpsters.

### Trailer Comparison & Pricing Overview

Feature	Standard Dump Trailer	High-Capacity Dump Trailer
Size	7 ft x 14 ft	7 ft x 14 ft
Sidewalls	36" high	48" high
Capacity	≈10 cubic yards (≈5 pickup loads)	≈14 cubic yards (≈7 pickup loads)
Included Weight	2 tons (4,000 lbs)	3 tons (6,000 lbs)
Base Rate (Drop-Off)	\$300	\$375
Additional Weight	+\$55 per ton	+\$55 per ton
Additional Loads (Same Job)	\$225 each	\$275 each

### Service Options (Available for Both Trailers)

#### Drop-Off Service — \$300 / \$375 (Trailer Dependent)

We deliver the trailer to your property or job site and leave it for up to 24 hours. You load at your convenience, and we handle the disposal.

**Best for:** remodel debris, yard waste, garage cleanouts, light demolition.

### **Live Load Service — \$225 Flat Rate**

We bring the trailer and remain on-site while you load. You have up to one hour to fill it, and then we haul and dispose of the material.

#### **Includes:**

Up to 2 tons (4,000 lbs)

Delivery within 20 miles of Lynchburg

Additional weight billed at \$55 per ton

**Best for:** quick cleanups, limited parking areas, or smaller projects.

### **Full-Service Junk Removal — Starting at \$450**

We handle everything — loading, hauling, and disposal. Pricing varies depending on material volume, labor time, and accessibility.

**Ideal for:** estate cleanouts, full remodels, or multi-room debris removal.

## **Additional Details & Policies**

Delivery beyond 20 miles: +\$1 per mile (each way)

Heavy materials (brick, rock, concrete): +\$50 surcharge

Payment due upon delivery (Venmo, Cash, or Credit Card accepted)

Customer must comply with Region 2000 landfill policies

Trailers must be loaded safely and evenly (no overfilling)

Dominion Design Services reserves the right to refuse hazardous or restricted materials.

## **Restricted Materials**

Per Region 2000 landfill guidelines, the following materials are not accepted or require special handling:

Tires, Liquids, Paint, Oils, Hazardous Waste, Batteries, Appliances with Freon, Propane Tanks,

Electronics, Medical Waste.

## **Discounts**

5% OFF for veterans, active duty, pastors, teachers, and public service workers.

# Dominion Design Services — Hauling & Transport Guide

### **Pricing:**

Starting at \$150–\$250 per haul, depending on material type, load weight, and distance.

Discounts available for contractors and repeat customers.

## Equipment Hauling

Our trailers and heavy-duty trucks are built for safe, local transport of small to mid-size equipment.

**Common Equipment We Haul:** Mini-excavators, skid steers, small tractors, zero-turn mowers, attachments, generators, compact tools, palletized materials.

### **Details:**

Rated up to 10,000 lbs payload.

Includes secure tie-downs, straps, and loading ramps.

Local and regional transport (within 60 miles of Lynchburg).

### **Pricing:**

Starting at \$125 one-way or \$200 round trip within 20 miles.

Additional distance: +\$1.25 per mile.

Load/unload assistance available upon request.

## Custom Hauling Solutions

If it fits, we can haul it. Dominion Design Services offers custom hauling for construction materials, farm equipment, estate cleanups, landscaping projects, and more. Let us know your needs — we'll build a custom quote that fits your timeline and budget.

## Additional Service Options

At Dominion Design Services, we know that every project is unique. Beyond standard hauling, junk removal, and delivery, we also provide flexible on-site services tailored to your needs. If it involves a dump trailer — we'll consider it.

**Available Add-On & Specialty Services:**

- Light Demolition & Site Cleanup — Tear down sheds, decks, fencing, or small structures and haul away debris.
- Brush Clearing & Yard Waste Removal — Storm debris, tree limbs, or seasonal cleanups.
- Contractor Support Hauling — Reliable hauling for jobsite debris, roofing tear-offs, or construction waste.
- Weekend Project Packages — Drop-off Friday, pickup Monday. Ideal for DIY homeowners and small remodels.
- Material & Equipment Transport Assistance — Deliver or remove materials, move small equipment, or relocate project tools.

**Custom Requests Welcome:**

We take pride in being flexible and creative with our services. If you have a hauling, cleanup, or delivery project that doesn't fit neatly into one category, reach out — we'll gladly provide a custom quote and plan a solution that works for you.

## Questions or Special Requests?

We're happy to help with quotes, scheduling, or custom hauling inquiries. Reach out anytime for details or availability.
